

Recycle for Breast Cancer

Box Assembly Instructions

1.

On bottom of box, first fold in "U" shaped flap (1). Then fold in both sides (2 & 3). Finally, fold and insert pointed side (4) into bottom of box.

2.

Insert square panel into bottom of box.

3.

Fold over two top flaps.

4.

Fold over flap and insert lid.

5.

Do not insert "Tab" yet.

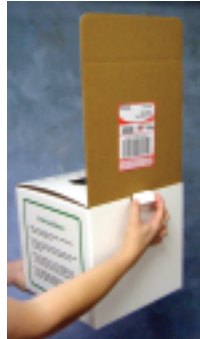

6.

Insert "Recycle for Breast Cancer" sign into the box upside down.

7.

Insert "Tab" into box to lock the sign & box together.

8.

Fold over flap.

9.

Tuck flap under box and apply removable tape to hold in position. You are now ready to place your collection box on the counter.

10.

When box is full, fold front flap over top of box, peel & seal, and give to FedEx.
